How to Commission Artwork

Step 1: Proposal	Share details about the space and specific style of piece you are seeking. Include mood boards and elevations. We will prepare a proposal tailored to needs.
Step 2: Design	Our dedicated team will create clear and comprehensive design concepts. To aid in visualizing the final piece, we provide detailed samples and drawings.
Step 3: Delivery	Your project will be crafted with care, expertise, and attention to detail. All our pieces are shipped via a trusted art handler with the option for expert installation.
