

Woven Rugs

Current

Current | Berry

Current rugs reflect light like water. This design is great for high traffic areas and has a linear stripe pattern in the weave for visual depth.

Our woven leather rugs are a full sensory experience, with striking visuals and a luscious tactile touch. They are designed to last and can be made in any scale from narrow hallway runners to expansive floor coverings.

All of our woven rugs are made by hand in the USA and suitable for residential and commercial spaces.
